

DRAGONFLY® 4 INTERNAL CLEANING SYSTEM

The DRAGONFLY® 4 Internal Window and Glass Cleaning Kit brings you the latest innovation from the STREAMLINE® range of high reach cleaning equipment. It is the simplest, safest and most efficient way to clean internal windows at height - reaching up to 16 metres!

The STREAMLINE® DRAGONFLY® 4 is the perfect answer to internal glass cleaning where ladders are usually required, as it allows you to clean windows at height with your feet on the ground. With a simple pump system and reservoir, filled with de-ionised water, in a backpack and a microfibre pad on a swivel mop plate attached to a telescopic pole the DRAGONFLY® will simplify internal window cleaning forever.

AREAS OF USE INCLUDE:

Car showrooms, Stair wells, Atriums, Schools, Colleges, Hotels, Airports, Shopping Centres, the opportunities are endless!

The DRAGONFLY®4 does not rely on detergents or chemicals and yet cleans a multitude of surfaces, including windows, mirrors, cladding and stainless steel surfaces to a sparkling spot free-finish.

With a compact battery and pump combination mounted in the comfortable backpack, controlled by a simple switch on one of the lightweight XR poles the DRAGONFLY® 4 has proven to clean at height up to three times faster than traditional methods... and safely from the ground.

2017

BENEFITS OF THE DRAGONFLY® 4

- Environmentally friendly - no chemicals required
- Rechargeable battery - ensures the task can be completed without the worry of needing spare batteries
- Compatible with the XR™ range of telescopic poles - so there are no modular pole sections lying around.
- Can be fitted to any of the pole sizes from the XR™ range - reaching up to 16 metres
- The backpack houses the rechargeable battery and the water reservoir meaning that there are no trip hazards from trailing hoses or wires.

WHAT DOES THE DRAGONFLY®4 INCLUDE?

- Comfortable padded backpack to contain DRAGONFLY® with 1,000ml reservoir
- Secure battery and pump box, with an illuminating on/off switch
- 240volt intelligent battery charger
- Remote control 'press-switch' assembly to activate the pump
- Mop plate head assembly with fine non-drip spray tip
- 2x microfibre scrub pads
- 2x microfibre polishing pads
- An enclosure for safe storage of the backpack kit when not in use.
