This is our top of range van, fitted out with a Dual Operator Streamline<sup>®</sup> Bravo™ 650 litre Reverse Osmosis water purification, window cleaning system. Includes full 12 Months Streamline<sup>®</sup> Warranty and technical support on the system.

The Bravo™ 650 system capable of consistently producing thousands of litres of pure water, with ease of maintenance. This system is baffled to restrict water movement in transit and has been positioned centrally in the vehicle. The system includes two powerful 100 PSI pumps with Streamline<sup>®</sup> V16 Digital Controllers designed to monitor water flow precisely saving your pure water.
