

COMBI™ 325TR

Its compact design makes this unique product suitable for smaller van installations. With ingenuity and innovation combined into one system, the Combi™ 325ltr tank is the first of its kind.

Designed to either incorporate our Streamflo® 25ltr trolley system as a power unit or supplied as a 5-stage RODI filtration unit with lithium-ion battery technology, the design is totally unique to the window cleaning market.

Either way, the Combi™ tanks provides a safe and professional image to your van, and maximises van space.

Features

- Bespoke tank with baffles and Z-flange designed for van installations
- Unique concept of utilizing Streamflo® 25ltr trolley to power delivery of pure water
- Alternatively fitted with RODI and twin pump and controller configuration
- Hose reel with 100mtrs of hose
